Activities

S. No.	Year	Working Sector	Achievement	Best Practices
1	2025	Health & Family Welfare	Samriddhi Help Team Foundation has achieved significant milestones in the field of health and family welfare through its continuous efforts to improve healthcare access, awareness, and overall well-being among underserved communities. The organization has successfully conducted numerous free medical camps, vaccination drives, and health awareness programs, benefiting thousands of individuals, especially in rural and remote areas. These initiatives have helped in early diagnosis of common disease	Samriddhi Help Team Foundation follows several best practices in the field of health and family welfare that ensure efficiency, inclusivity, and long term impact. The organizations approach is rooted in preventive healthcare, community participation, and capacity building. One of its best practices is the adoption of a community based health model, where local volunteers and women health leaders are trained to spread awareness about hygiene, nutrition, and disease prevention at the grassroots
2	2025	Women's Development & Empowerment	Samriddhi Help Team Foundation has consistently prioritized womens development and empowerment as a cornerstone of its social mission. Over the years, the organization has successfully implemented numerous programs aimed at improving womens access to education, healthcare, employment, and social justice. One of the major achievements has been the establishment of self help groups across rural and semi-urban areas, enabling thousands of women to engage in income-generating activities through	Samriddhi Help Team Foundation has made significant strides in promoting womens development and empowerment through a holistic and community based approach. The organization has implemented several programs to enhance womens access to education, healthcare, employment, and leadership opportunities. One of the key achievements has been the formation and strengthening of self help groups across rural and semi urban regions. These groups have enabled thousands of women to participate in income
